

## Statement of Intent

At Dagenham Park Church of England School, the belief in empowering our pupils to grow through learning so that they succeed as global citizens in the modern world lies at the very heart of our ethos: *Believe, Grow, Succeed.*

Our broad and balanced curriculum is catered to the diversity of our pupils and aims to develop resilient critical thinkers who work empathetically and respectfully with one another. Our schemes of learning provide a wealth of opportunities to acquire a deep understanding of skills encouraging purposeful outcomes across the curriculum. Literacy, numeracy and creativity are embedded within all subjects across the curriculum and there is well-established and specialist teaching of our EAL pupils.

Our extensive enrichment programme allows us to create confident and resilient young people who are ready to embrace the next steps in their future learning and succeed. We have established great partnerships with The Royal Ballet School, University of the Arts, the Barbican, RADA, Studio 3 Arts, The Royal Academy of dance, Inspire and STEM.

We also offer a wide variety of extra-curricular sporting fixtures as well as trips to museums, art galleries, Parliament, the Galleries of Justice, Kensington Palace, to name a few as well as residential trips abroad including visiting the NASA space centre in Orlando, USA.

At Dagenham Park Church of England School, we promote a Christian ethos of celebrating the uniqueness of every human being, developing pupils physically, mentally and spiritually whilst requiring sensitivity, tolerance and respect from all members of our community. Everyone in our school community is expected to behave in a responsible manner showing courtesy, respect and consideration of our Christian values at all times.

Dagenham Park Church of England School has a three-year Key Stage 3 programme for Years 7,8 and 9 followed by a two-year Key Stage 4 programme for Years 10 and 11 and a two-year programme for KS5.

Our lessons are one hour long.
