Dear Student,

## Summer 2022 Arrangements

The government intends that exams will go ahead in 2022. If exams cannot go ahead as planned, due to further Covid disruption, your grades will instead be determined by your teachers, using a Teacher Assessed Grade (TAG) approach.

Your teachers will therefore gather evidence, through your performance in assessments in the remainder of this academic year, to help them determine Teacher Assessed Grades (TAGs) if exams do not take place.

Please do read the recent [Letter to students](#) from Ofqual for more information on Arrangements for GCSEs, AS and A Levels in 2022.

JCQ has also produced a series of frequently asked questions with accompanying answers for [students](#).

If you have any questions, please speak to your subject teachers who will be able to support you. Also, you or your parents or carers, might find it helpful to [sign up for updates on the Ofqual website](#) or by following the Ofqual Instagram channel [@Ofqual](#).

## Anxiety and mental health support

We understand that this has been a difficult time for students and you have shown great resilience in the face of the challenges presented by the pandemic. Always make sure you speak to somebody if you are feeling anxious or struggling with your mental health. This might be a parent, carer or someone else you trust.

You can also contact:

- [Young Minds](#)
- NHS 111 – they can assist in providing the mental health support you may need

Very best wishes,

Mr C Ash - Headteacher
